

## National Artificial Intelligence Advisory Committee

### Agenda

August 1, 2024 | 2:00 p.m.– 3:30 p.m. ET

**Location:** Virtual Event  
**Virtual:** A Zoom Event Link was sent to all registered attendees.

**Objectives:** The primary purpose of this meeting is to have the AI and Workforce Working Group of the NAIAC host a panel on AI and Just Transitions for American Workers, exploring how the nation can take fresh and innovative worker-first approaches to help people enjoy lifelong career success. Ensuring that workers have job experiences that are dignified, career-enhancing, and allow for job mobility is not only an imperative for worker and community wellbeing; it ensures a stronger and more competitive US economy. The panels will seek to encourage a pragmatic, multi-disciplinary, and multi-stakeholder approach to the problem. Thus, it seeks participation from organizations, experts, workers, and employers interested in offering a range of perspectives and fresh ideas supporting worker success in an increasingly AI-influenced workforce and economy.
